Aufnahmeprüfung 2023 / Bericht für das Fach Englisch

Aufbau der Prüfung

Teil 1: Textverständnis (25 Punkte)
Teil 2: Textproduktion (25 Punkte)

Geprüfte Inhalte/Kompetenzen

Part 1:
- Multiple Choice: Ten short real-world texts, for example notices, messages, emails and signs, together with multiple-choice questions with three options, A, B or C. Candidates had to read each text and choose the correct answer.
- True, False, Not Given: One long text and ten statements. Candidates had to understand details about the text to decide if the statements were true or false, or if the information was not given in the text.
- Matching: Five short descriptions and eight short texts. Candidates had to match each of the descriptions with the correct text.

Part 2:
In this part, candidates had a choice of two topics to write one text based on some input material (100 – 120 words). The options included an article and an informal letter. Assessment criteria: content, format and organization, grammar, vocabulary, spelling.

Beobachtungen zu Stärken und Schwächen

In part 2, good texts had the following features:
- All content was relevant to the task and the reader was fully informed.
- The format was appropriate and the text was well organized and coherent, featuring paragraphs and a variety of linking words / cohesive devices.
- Candidates used a range of simple and some complex grammatical forms with a good degree of control.
- Candidates used a range of everyday words appropriately.
- Everyday words were spelled correctly.

Deductions were made if the text was too short.

Tipps für die Prüfungsvorbereitung

- Read texts in English both for details and the gist.
- Get used to writing texts in English, taking into consideration the assessment criteria above.
